

Pt. Upadhyay dedicated his life to propagate Indian culture: CM

Bhopal: CM Dr. Mohan Yadav garlanded the statue of Pt. Deendayal Upadhyay at Lal Ghati and paid floral tributes on Sunday. He said today is a special day for all of us as it is the death anniversary of Pt. Deendayal Upadhyay, who, from the founding of Jan Sangh till his last breath, dedicated his entire life to propagate Indian culture not only in the country but in the entire world. CM said the world knows the basic idea of this philosophy is to make every possible effort to bring change in the lives of the poorest of the poor, provide them with basic facilities and make their life successful.

tion started by the organization. Dr. Yadav said that we are fortunate to have a global leader and popular PM Narendra Modi amidst us in Jhabua, a backward tribal region of the state on the death anniversary of Pandit Deendayal Upadhyay. Modi believes that to bring about a change in the lives of the most backward people, one has to be in their midst. Today a big Kumbh of tribal community is being organized in Jhabua. Paying tribute to Pandit Deendayal Upadhyay Dr. Yadav said that he prays to God that Indian culture should spread all over the world. Among others present in the programme were Minister Smt. Krishna Gaur, MLA Shri Rameshwar Sharma, former Mayor Shri Alok Sharma and Shri Sumit Pachauri and other senior public representatives.

State outsourced workers getting half salary: Bhargava

Bhopal: In page no. 81 of its resolution letter issued during the last MP Assembly elections 2023, BJP had promised to provide contract benefits to 2.50 lakh outsourced employees of MP and facilities at par with the Central Labor Law, but this announcement was not implemented. The outsourced employees of the state are angry due to this. In this regard, State Convener of All Department Outsource Sanyukta Sangharsh Morcha, Manoj Bhargava and General Secretary Dinesh Sisodia said that while the Central Government outsourced workers and daily wage employees earn Rs 27450 per month for the highly skilled category, Rs 24960 for the skilled category, Rs 21270 for the semi-skilled and unskilled workers Rs 18840. Whereas in comparison, highly skilled workers of MP get Rs 13360, skilled workers Rs 12060, semi-skilled workers Rs 10682 and unskilled workers Rs 9825.

They are getting this minimum salary per month, which is half as compared to the Centre. Due to this, the growth of outsourced workers is faltering and collapsing. Bhargava said before the Lok Sabha elections, the state government should fulfill its promise and give minimum salary at par to the outsourced employees of the Centre in the same way as the regular employees of MP are getting the 7th pay scale like the Centre. Expressing strong objection to the efforts being made by the state government to increase the age of regular employees from 62 to 65, Bhargava termed it as a harsh attack on the young generation and outsourced workers. Bhargava said that this will deeply hurt the youth's chances of getting employment. Therefore, instead of providing increased service to the elderly, the government should take steps towards providing permanent employment to the new generation.

Double engine govt is working double fast: PM

(Contd from Page 1) Higher education will be easier for the youth of Jhabua, Ratlam, Khargone, Dhar and surrounding areas. Eklavya residential schools are being started across the country for tribal students. It is not acceptable to the government that tribal children are left behind due to lack of education. **Swamitva Adhikar Patra is a guarantee of security** Prime Minister Modi said that the tribal society has been earning its livelihood from forest wealth for thousands of years. He said that sickle cell anemia was killing many people every year in tribal families. The Central Government started a campaign to eradicate sickle cell anemia. The result of the government's commitment is that the tribal society is now continuously moving ahead in the race of development. Through the ownership scheme, ownership rights letters have been given to 1 lakh 75 thousand people. This is not only a letter of authority but also a letter of security in your life. PM Modi said that the most deprived and most backward

are the first priority for our government. PM Modi said that under the Pradhan Mantri Adarsh Gram Yojana, development work is being done in 550 villages of Jhabua. **Tribal people have their own distinct identity** Shri Modi said that due to the double engine government, the youth, women and tribal people of Madhya Pradesh are developing their own identity. A big market is getting ready for the Pithora paintings and tiger print sarees here. The sisters have formed a self-help group and started their own brand of honey, papad, pickles and cereals. The products here are being liked everywhere. Chief Minister Dr. Mohan Yadav said that the arrival of Prime Minister Narendra Modi is a fortunate opportunity for Madhya Pradesh. Prime Minister Modi is gifting Kranti Surya Tanya Bhil University to the state, along with this, many development projects are also being inaugurated and foundation stones are being laid through his programs.

Programme on International Day of Women's Participation in Science today

Bhopal: Chief Minister Dr. Mohan Yadav will address the programme to be organised on the International Day of Women's Participation in Science on February 12 at 1 pm at Kushabhau Thakre International Convention Centre, Bhopal. During this time, skilled women in STEM (Science, Technology, Engineering, Maths) fields will be honoured and offer letters will be distributed to women candidates selected in employment fairs. In the programme, Technical Education, Higher Education and AYUSH Minister Shri Inder Singh Parmar and Minister of State for Skill Development and Employment (Independent Charge) Shri Gautam Tetwal will be present. Under the programme, Procurement Essential for Student Advancement (PESA) course will be launched in Mahila Polytechnic College, Bhopal in collaboration with all the government ITIs, Industrial Safety Training and IIT Indore under the Indo German Initiative for Technical Education (IGnITE). Also, course Blockchain will be launched in Ujjain, course IoT and AI in Jabalpur and course AR/VR in SV Polytechnic Bhopal by IIT Delhi.

Guna MP KP Yadav's brother Ajay Pal joins BJP

Bhopal: During Jyotiraditya Scindia's recent visit to Gwalior, Congress leader Ajay Pal Yadav, who is the brother of Guna MP K P Yadav, made headlines by officially joining the Bharatiya Janata Party (BJP). This move is significant, given his previous affiliation with the Congress party. Ajay Pal Yadav's decision to become a BJP member follows his earlier association with the Congress, where he took membership in the presence of Rahul Gandhi during the Bharat Jodo Yatra in December 2022. This shift is perceived as a notable setback for the Congress, prompting questions about K.P. Yadav's political alliances and loyalties. Jyotiraditya Scindia's active involvement in the Gwalior-Chambal region has played a crucial role in reshaping the political landscape. In recent days, Scindia has actively participated in various religious, social, and political events across the region, aiming to consolidate the BJP's presence and strengthen the party's prospects, especially in constituencies like Gwalior, Morena, Bhind, and Guna. Many observers believe that

Scindia's dynamic engagement could significantly impact electoral outcomes in these regions, potentially favoring the Bharatiya Janata Party. His consistent efforts in the Gwalior-Chambal belt underscore the BJP's determination to expand its influence and solidify its position in key electoral battlegrounds. The strategic maneuvers and political realignments witnessed during his recent visit indicate a dynamic shift in the region's political dynamics, with implications that extend beyond immediate electoral considerations.

tion in key electoral battlegrounds. The strategic maneuvers and political realignments witnessed during his recent visit indicate a dynamic shift in the region's political dynamics, with implications that extend beyond immediate electoral considerations.

4 IAS officers promoted to PS rank

Bhopal: The government has promoted four Indian Administrative Service officers of the state while holding the same posts. These include Vivek Porwal and Public Relations Commissioner Sandeep Yadav.

Vijayvargiya will get an important responsibility

Indore: Like the Assembly elections, Urban Development Minister Kailash Vijayvargiya will handle important responsibilities in the Lok Sabha elections too. The party has given him Jabalpur cluster. Jabalpur, Mandla, Balaghat and Chhindwara seats come under Jabalpur cluster. Apart from these, he has been made the observer of Chhindwara seat. Kailash Vijayvargiya will remain in the role of in-charge in Malwa Nimar as before. Apparently, Kailash Vijayvargiya's busy schedule will get busier in the coming days. In fact, amid the churning over the Lok Sabha elections, BJP changed 7 cluster Lok Sabha election in-charges in the state. For the first Lok Sabha elections, 7 senior leaders were given the

charge of their home and political constituencies. Narottam Mishra was in Gwalior, Prahlad Patel in Jabalpur, Rajendra Shukla in Rewa and Jagdish Deora in Ujjain, Kailash Vijayvargiya in Indore, Bhupendra Singh in Sagar and Vishwas Sarang in Bhopal. Now every leader has been given the responsibility of the area of another zone. Not only this, the party started appointing in-charges. Under this, in-charges, convenors and co-convenors of Lok Sabha seats have been decided. The names of some co-convenors are pending, which will be announced soon. Lok Sabha election office was also started in Bhopal. The BJP organization has started laying the chessboard for the Lok Sabha elections.
