

# Prepaid Meters Now Mandatory in Govt Offices – No Payment, No Power

## State Government Implements Prepaid Electricity System for All Offices

Bhopal: In a major policy shift, the Madhya Pradesh government has mandated the installation of prepaid electricity meters in all government offices. Under this system, offices will receive electricity only as per the recharge amount, similar to prepaid mobile plans. Once the balance runs out, the power supply will be automatically cut off.

departments, divisional commissioners, department heads, and district collectors to ensure that offices maintain sufficient balance for uninterrupted power supply.

### How the Prepaid Meter System Works

The new prepaid electricity meters operate just like prepaid mobile plans: Offices must recharge their meters in advance to continue receiving power. If the balance runs out, the electricity supply will be disconnected automatically. To restore power, offices must immediately recharge their accounts. This system will eliminate the long-standing issue of unpaid electricity bills in government offices, enforcing greater financial discipline and accountability.

### Finance Department's Plan for Implementation

The Finance Department has outlined a structured approach to implementing this new system: **Clearing Outstanding Dues:** Offices must settle any pending electricity bills before installing prepaid meters. The security deposit from postpaid meters will be adjusted against outstanding dues, and any remaining amount will be used for future recharges. **Monthly Recharge System:** Offices will receive monthly electricity bills based on actual consumption. A rolling advance system will be implemented to ensure a month's balance is always available. Any unused balance will earn incentives, rebates, or interest, as per guidelines set by the Madhya Pradesh Electricity Regulatory Commission.

### Six-Month Transition Period Before Strict Enforcement

To facilitate a smooth transition, the government has announced a six-month grace period. During this time, even if an office's prepaid balance runs out, electricity will not be disconnected immediately. However, after six months, there will be no exemptions—if an office fails to recharge, the lights will go out.

# SN Mishra becomes member of MP Administrative Unit Reorganization Commission

## Now there will be two members in the commission

Administrative Correspondent, Bhopal

The state government has appointed retired Indian Administrative Service officer SN Mishra as a member in the MP Administrative Unit Reorganization Commission. The General Administration Department has issued orders in this regard on Wednesday, a holiday.

Mishra is a 1990 batch officer of the Indian Administrative Service. He retired only last month. At the time of retirement, he was handling the big responsibility of Additional Chief Secretary Home, Transport and Jail Department. Another retired Indian Administrative Service officer Manoj Srivastava, who was appointed as a member in the commission, was made the Commissioner of MP State Election Commission on 31

December 2024, after the appointment of Srivastava, the post of a member in the Administrative Unit Reorganization Commission became vacant, since then it was believed that only a retired IAS would be posted here. So finally now another member has been appointed here in the form of

Mishra. After Manoj Srivastava got the new responsibility, only one member Mukesh Kumar Shukla was left in the reorganization commission. The work of the commission was getting affected due to the presence of only one member. The commission is re-determining the boundaries of divisions, district, tehsil, blocks in the state. It is being made more practical than before, so that the citizens coming to the offices for government work do not have to face much trouble due to distance. Shukla is also a retired IAS.

It is to inform that the new member of the commission, Mishra, has also applied for the post of Chairman of MP Electricity Regulatory Commission. The selection committee meeting for the chairman of the regulatory commission has not been held yet. Even before this, he was appointed in another commission.

# Manu Srivastava becomes President of IAS Association

Administrative Correspondent

Bhopal: Manu Srivastava has been unanimously elected as the President in the elections of IAS Association in the state. Manu Srivastava is a 1991 batch IAS and is currently handling the responsibility of Additional Chief Secretary Sports and Youth Welfare as well as New and Renewable Energy.

Purushottam as Treasurer and KVS Chaudhary as Joint Secretary. Vivek Porwal, Mrs. Anubha Srivastava, Nishant Barbade, Sanjeev Singh, Sudam Khade, Ilayya Raja T. Kaushalendra Vikram Singh, Girish Sharma, Chandramouli Shukla and Preeti Maithil Nayak have been included as members. Let us tell you here that the tenure of Agriculture Production Commissioner and Chairman PEB Mohammad Suleman as the President of the Association ended in December itself. Since then this election was awaited.

Rashmi Arun Shami has been elected as the Vice President in the association. Avinash Lavania has been elected as Secretary, Kumar

# Single use plastic banned in Madhai

Bhopal: Madhai, a tourist spot in Satpura Tiger Reserve Narmadapuram, has been made plastic free. Tourists doing jungle safari in Madhai will not be able to carry water in plastic bottles and items in polythene. Tourists going on jungle safari will have to deposit plastic and polythene at the ticket counter or gate itself.

Madhai Park Management has completely banned single use plastic in Madhai core area from Wednesday, February 12. Steel, aluminum water bottles and cloth bags will also be provided by the park management to the tourists to carry water. Tourists can also rent or buy bottles and cloth bags.

# AIIMS hosts IABSCON 2025, advancing precision medicine & translational research

Bhopal: AIIMS Bhopal, under the leadership of Prof. (Dr.) Ajai Singh, is hosting the XIIIth Annual International Conference of the Indian Academy of Biomedical Sciences (IABSCON 2025) from February 11-13. Organized by the Department of Biochemistry, the conference aims to advance research in precision medicine and translational sciences.

speakers. Dignitaries in attendance include Chief Guest Dr. Sunil Malik, IABS Founder President Prof. Hari S. Sharma, Secretary General Prof. Abbas Ali Mahdi, and President Dr. B.S.S. Rao. Discussions cover breakthroughs in heart and lung diseases, brain disorders, and various cancers.

### Cutting edge research & innovation

IABSCON 2025 highlights emerging trends in multi-omics technologies—genomics, proteomics, transcriptomics, and metabolomics—revolutionizing clinical and translational research. The conference underscores the role of precision medicine and personalized healthcare in improving patient outcomes.

Day 2 keynote sessions

Renowned experts delivered thought-provoking keynote addresses: Prof. T. Venkatesh (SJM, Bangalore) – "Lead and One Health: The Future of Human Sustainability." Dr. Naibedya Chattopadhyay (CSIR-CDRO, Lucknow) – "Activating Adiponectin Receptor for Mitigating Osteo-Sarcopenia." Prof. P.C. van de Woestijne (Netherlands) – "Minimal Invasive Pediatric Congenital Cardiac Surgery."

# Singaji Thermal Power Project creates record of coal unloading

Bhopal: A new record of unloading coal from coal racks was created at Shri Singaji Thermal Power Station Dongalia (Khandwa) of Madhya Pradesh Power Generating Company Limited. Emptying the racks on time also plays an important role in the continuous availability of coal. A total of 531 coal racks were unloaded by Coal Transfer Department (CHP)-1 and 2 at Shri Singaji Thermal Power Station in the period from 9 December 2024 to 11 February 2025 within the stipulated period of the Railways.

emptying the maximum coal racks in a period of three months so far without paying demurrage charge. Earlier, in the year 2023, a total of 505 coal racks were unloaded at Shri Singaji Thermal Power Station from 22 January 2023 to 4 April 2023 without paying demurrage.

### It is necessary to unload five hours per rack

The time of five hours per rack has been fixed by the Railways for Shri Singaji Thermal Power Project. If the time taken is more than the stipulated

time, the Railways imposes a delay fee (demurrage charge) at the rate of Rs 9 thousand per hour. When the coal racks arrive, emptying them within the time limit is a complex task. To do this work successfully, continuous availability of the entire system and equipment has to be ensured. By emptying the racks in less than the stipulated time, the availability of racks for coal transportation increases for the Railways. This achievement has been achieved due to the continuous efforts of the engineers and personnel of the project.

### How were the coal racks unloaded

Working in a planned manner, the Coal Transfer Department (CHP) of Shri Singaji Thermal Power Station unloaded a total of 185 racks in December 2024, 252 racks in January 2025 and a total of 94 racks till 11th February 2025.

# Sarang will start the "Swabhaav Swachhata Sanskar Swachhata" campaign

Bhopal: On the instructions of Cooperative Minister Shri Vishwas Kailash Sarang, to make people aware of the importance of cooperation on the occasion of International Cooperative Year-2025, Swachhata Divas program will be celebrated on February 13 in all the departmental offices, cooperative institutions under the department under the "Swabhaav Swachhata Sanskar Swachhata" campaign. Minister Shri Sarang will start the cleanliness campaign from Apex Bank, Bhopal at 11 am.

As per the instructions, the Managing Director of all the top institutions of the state, Joint/Deputy/Assistant Commissioner of Cooperation of Division/District and Chief Executive Officer of District Cooperative Central Bank Limited have also been told that under this program, work like organizing office files in departments and institutions, marking references in old records, maintaining index register in the office with the help of which details of the last 10 years of complete liquidation, statutory proceedings, establishment etc. can be known immediately.

# VC Kudaria calls on Rajendra Shukla

Bhopal: The newly appointed Vice Chancellor of Awadhesh Pratap Singh University Prof. Rajendra Kumar Kudaria paid a courtesy visit to Deputy Chief Minister Shri Rajendra Shukla at Raj Niwas Circuit House Rewa. Deputy Chief Minister Shri Shukla said that under the guidance of the Vice Chancellor, the university and its affiliated colleges will touch new heights. He expected that the Vice Chancellor will also play a role in conducting new and useful courses related to self-employment and employment.

The Deputy Chief Minister said that an IT park is being built in Rewa which will prove to be a boon for the youth. Vice Chancellor Kudaria assured the Deputy Chief Minister that all efforts will be made to take the university and college further ahead in the field of higher education. New courses will be conducted keeping in view the possibilities of this region. Work will be done to start courses by associating ancient Indian history with artificial intelligence. He told that solar panels will also be installed in the university so that solar electricity can also be used.

**CALL FOR EXPRESSION OF INTEREST TO FISH IN ANTARCTIC WATERS**

The Centre for Marine Living Resources and Ecology (CMLRE), an attached office of the Ministry of Earth Sciences, invites Expression of Interest (EOI) from qualified Indian firms intending to fish for krill or toothfish in the Antarctic waters, administered by the Commission for the Conservation of Antarctic Marine Living Resources (CCAMLR), for the upcoming fishing season (2025-26). CCAMLR is an intergovernmental body responsible for the conservation and sustainable management of the marine living resources in the Southern Ocean. As a permanent member of this Convention, India is entitled to issue fishing licenses/ permits, ensuring compliance with the established Conservation Measures. Indian firms with experience in high seas fishing and vessels suitably equipped for fishing Krill or tooth fishes from the Antarctic waters can register EOI to CMLRE via email to [director@cmlre.gov.in](mailto:director@cmlre.gov.in)/[sendhilr@cmlre.gov.in](mailto:sendhilr@cmlre.gov.in) along with a brief company profile and a statement of intent.

Indian firms owning an ice class strengthened vessel capable of fishing in the high seas, or capable of hiring such vessels and crew through a bareboat charter agreement, and possessing an understanding of the intricacies of fishing in the CCAMLR region are eligible to register their EOI. The last date for submitting the EOI, alongwith supporting documents, is within 10 days from the date of release of this Advertisement.
