Jabalpur makes 54 pc more achievement in Udyam Kranti Yojana

Jabalpur: Jabalpur district has achieved 54 percent more achievement in the financial year 2024-25 under the Chief Minister Udyam Kranti Yojana. Under this scheme run by the MSME Department of the State Government, Jabalpur district was given the target of benefiting 240 youth in the year 2024-25. Against this, loans of Rs 23 crore 45 lakh were distributed through banks to 371 beneficiaries in the district to establish self-employment. According to Vineet Rajak, General Manager of District Trade and Industry Center, 1105 applications were received against the target allotted to the dis-Chief Minister Udyam Kranti Yojana. Out of these, applications of 856 eligi-

ble applicants were sent to the banks. Out of the applications sent, 400 applications were approved by the banks. Rajak informed that under this government sponsored scheme, the beneficiaries showed special interest in setting up their own business or unit in garment manufacturing, furniture manufacturing, food processing, boutique, beauty parlor, general store, grocery store, clothing sales, electronics and electrical sales and service, transport service etc. According to the General Manager of the District Trade and Industry Center, under the Chief Minister Údyam Kranti Yojana, Jabalpur district has received the physical target of benefiting 384 beneficiaries in the new fi-

Berry natural health drink shines at millets festival

Jabalpur: The Berry Natural Health Drink was the main attraction at the two-day "Divisional Millets Festival cum Agriculture Fair," organized by the Department of Farmers Welfare and Agriculture Development to promote awareness about the latest agricultural technology. Various stalls were set up at the fair to benefit farmers through crop diversification and technical farming.

While many stalls focused on millets, the Berry Natural Health Drink, made from the native plum by Manavta Natural Food Processing Private Limited from Tikamgarh district, captured significant attention due to its unique taste. The seller highlighted that this chemical-free organic drink is rich in iron, vitamins, fiber, and antioxidants, and is also sugar-free. He noted that the drink not only pro-

relief from stomach disorders and

strengthening the immune sys-

Fair featured a large number of sellers

The fair featured a large number of sellers from Chhattisgarh, Maharashtra, and other states displaying their agricultural products and equipment, attracting buyers eager to incorporate these items into their daily lives. The vibrant economic activities resulting from transactions between buyers and sellers added an engaging atmos phere to the event.

Interestingly, perceptions of millets have shifted; once considered a cheap grain, they have gained recognition as a valuable food source thanks to the Millets Mission. This change has led to an increased willingness among consumers to purchase millets, even at higher prices, reflecting a growing appreciation for their nutri-
