

Congress accuses ECI of voter suppression ahead of Bihar polls

New Delhi (UNI) The Congress today leveled serious allegations against the Election Commission of India (ECI), claiming that deliberate attempts are being made to compromise the integrity of the electoral process, and accused it of acting as a “pawn” in this process.

Addressing a media conference at the AICC headquarters here, Congress spokesperson Pawan Khera along with Bihar Congress chief Rajesh Kumar and Bihar in-charge Krishna Allavaru alleged that the top poll body is being misused to undermine the fundamental right to vote and that efforts are underway to redraw the entire voter list in Bihar.

“It’s shocking that when the Leader of the Opposition in the Lok Sabha, Rahul Gandhi or the Congress president and Leader of the Opposition in the Rajya Sabha,

Mallikarjun Kharge, make legitimate demands — such as sharing the voter list or providing footage from the day of voting — the Commission remains silent for months,” Khera said.

He said the Commission’s swift move to redraw the entire voter list of Bihar within just a month raises serious questions about priorities

and transparency. Highlighting the party’s attempts to engage with the Commission, Khera alleged that when Congress representatives seek meetings with the Chief Election Commissioner (CEC), they are met with a “hostile tone”.

“We are told — ‘This is the new Election Commission, the new normal’ — and that the CEC will decide which Congress leader they wish to meet,” he claimed.

Khera further alleged that the Chief Election Commissioner has initiated a concerning trend of “planting stories” by messaging select journalists, assuming such tactics will go unnoticed.

Opposition misleading people on Special Intensive Revision of Electoral rolls in Bihar: Mangal

Patna: Senior BJP leader and Bihar Health Minister Mangal Pandey alleged today that opposition parties were misleading people on Special Intensive Revision (SIR) of Electoral rolls in Bihar, saying only false impression on the issue was being created by them. Pandey said here that SIR of electoral rolls, was not the first exercise of any sort, being carried out in Bihar as similar revision of voters list was also conducted in the year 2003. Opposition leaders were misleading the people that such a massive exercise could not be completed within 31 days but they should know the fact that earlier such exercise was also carried out in 31 days as well, he pointed out.

Security scaled up after attacks on farmers by Kuki militants

Imphal (UNI) The Manipur government has decided to take up fresh security measures following repeated attacks on farmers and forcible seizure of grains by suspected Kuki militants.

The state police today said in a

statement that in response to heightened concerns over security during the ongoing farming season, the authorities have significantly stepped up safety measures across the state to ensure protection of farmers and prevent untoward incidents.

A high-level Combined Headquarters (CHO) meeting was convened on June 28, chaired by the Security Advisor and attended by the chief secretary, Director General of Police (DGP), and senior officials of security forces. The meeting focused on reviewing and strengthening security protocols, particularly in the wake of recent incidents in Phubala, Bishnupur district.

As part of the security enhancement, Manipur Police personnel have been deployed at vulnerable farming areas across both hill and valley regions.

Nine members of gang held in Hazaribagh with arms

Hazaribagh: The Hazaribagh police today arrested nine members of the notorious Uttam Yadav gang who were allegedly planning a serious criminal act in the St. Columba’s College Road area of the city. The arrests were made following a swift response to a tip-off received by the district police on July 2.

Acting on the intelligence, police launched a special operation under the leadership of SDPO Sadar Amit Anand. During intensified anti-crime checking near the bus stand, a black motorcycle followed by an SUV was spotted. When signaled to stop, the suspects tried to flee through a muddy path. Police teams quickly surrounded the area and nabbed seven suspects.

During interrogation, the accused confessed to being active members of the Uttam Yadav gang.

HC seeks detailed report in law student gang-rape case, next hearing on July 10

Calcutta (UNI) The Calcutta High Court on Thursday directed the West Bengal government to submit a detailed progress report and produce the case diary within seven days in connection with the alleged gang-rape of a first-year law student from South Calcutta Law College.

The directive was issued by a division bench comprising Justice Soumen Sen and Justice Smita Das during the initial hearing of three public interest litigations (PILs) demanding a CBI probe into the June 25 incident.

However, the court was informed by the victim’s parents who were present during the proceedings that they currently support the ongoing investigation by the city police and are not in favour of a CBI inquiry at

this stage.

The next hearing is scheduled for July 10. The bench has also asked the state and the college authorities to file their respective affidavits before that date.

The case, which was first registered at Kasba police station, saw rapid developments. Within 24 hours

EPS to launch AIADMK’s state-wide campaign from July 7, extends invite to national ally, BJP

Chennai (UNI) Having asserted his primacy in the NDA in Tamil Nadu and making it clear that it would be an AIADMK government and not a coalition government post the 2026 assembly election as claimed by Union Home Minister Amit Shah, AIADMK General Secretary Edappadi K Palaniswami (EPS) has extended an invite to the saffron party to join his state-wide mass contact programme commencing from July 7.

The AIADMK leader is scheduled to launch the first phase of his mass outreach, christened as ‘Makkalai Kappom, Thamizhathai Meetpom’ (To save people and redeem TN), from Mettupalayam, an assembly

segment in Coimbatore district.

Burying the differences that have cropped up over the debunking of

Dravidian icons at the Sangh Parivar organised ‘Conference of Murugan Devotees’ in Madurai and the frequent clamour of a coalition government with saffron participation, the AIADMK has invited the BJP to participate in the inaugural event of the campaign.

Accepting the invite, BJP state president Nainar Nagendran, state general secretary AP Muruganandam and others will be in attendance and share the dais with EPS at Mettupalayam.

Moreover, local BJP functionaries and cadre are expected to participate throughout the campaign at assembly segments-wise, the first phase of which will conclude in Thanjavur district.

23rd Regional meet of OPCW concludes in New Delhi

New Delhi: The Organization for the Prohibition of Chemical Weapons, a prime implementing body of the Chemical Weapons Convention, had organized its Asia meeting in New Delhi from July 1-3. India is an official member of the OPCW.

National Authority Chemical Weapons Convention (NACWC) is responsible for organizing the convention in India. The Indian Chemical Council (ICC) works closely with NACWC to implement the standards set by the governing OPCW.

Bhandari slams Karnataka caste survey as sham

New Delhi (UNI): BJP National Spokesperson Pradeep Bhandari today launched a scathing attack on the Congress government in Karnataka, alleging widespread irregularities in the ongoing caste survey and calling it a ‘politically motivated exercise’ driven by Rahul Gandhi.

Citing reports from the ground, Bhandari claimed that in several households across Karnataka, government officials have marked the survey as “completed” despite not having interacted with the residents.

“Locals are saying that they weren’t even asked questions, and yet the government has put up notices outside their homes saying the survey is done. This is nothing but a sham,” he claimed.

Accusing Rahul Gandhi of using the caste survey as a “political weapon”, Bhandari said the Congress party’s intent was never about public welfare.

This entire plan is a lie, a deception. Everything for them is about politics.

War of words between Rajasthan BJP leaders and RLP chief Beniwal turns personal and bitter

Jaipur (UNI) The intermittent war of words between the ruling BJP leaders and the Rashtriya Loktantrik Party supremo, sitting Nagaur MP Hanuman Beniwal, turned bitter and personal with Minister of State for Home Jawahar Singh Bedham taking serious exception to utterances made by Beniwal against Chief Minister Bhajan Lal Sharma and the MoS.

In a statement issued last evening, Minister Bedham said- "It is not befitting for a four-timer legislator and a two term Lok Sabha member to lose his cool and make indecent

remarks against the incumbent Chief Minister and other leaders."

The Home Minister said that last weekend Beniwal visited Bharatpur district - the home town of CM Sharma and MoS Bedham - to address a Jat congregation.

However, he lost his cool by seeing poor gathering in the sammelan.

In a speech laced with satirical quips the MP made remarks that reflected his "ignorance about the historic roles of Rajasthan's real heroes, including the Jat King of Bharatpur Maharaja Suraj Mal, Maharana Pratap and Panna Dhai.

AIIMS panel dismisses link between Covid-19 jabs and sudden heart attack deaths

New Delhi (UNI) A panel of doctors from the All India Institute of Medical Sciences (AIIMS), Delhi, today sought to clear the air on the efficacy of Covid-19 vaccines, affirming that there was no credible link between the vaccines and sudden deaths, including those attributed to heart attacks.

According to the doctors, such incidents were more likely to be tied to lifestyle factors and comorbidities, including smoking and excessive alcohol consumption,

rather than the Covid jabs.

Their assertion came a day after the Union Ministry of Health and Family Welfare issued a statement following Karnataka chief minister Siddaramaiah ordered a study on the reasons behind sudden deaths among young people in the state, and to see if the Covid-19 vaccines could have any adverse effects.

The Health Ministry had dismissed any link between the vaccines and the increasing cases of sudden fatalities due to heart attacks.
